

Bibliography: COE in Handspinning

The Handweavers Guild of America, Inc. suggests this list of books, periodicals and videos to help readers find useful information on the subject of spinning. Most of the publications are still in print and can be purchased or borrowed from a library. The International Standard Book Number (ISBN) helps identify the title if a bookstore or library is ordering a copy. Inclusion or omission of a book title from this list does not constitute HGA's endorsement or lack thereof. Suggestions for titles to be included in future bibliographies are welcome, as are corrections and information not yet complete.
